LOUVRESPAN

New Zealanders love the outdoors. Create your ultimate all-weather, outdoor living space for an affordable price.

- Designed and manufactured in New Zealand.
- Designed to keep you shaded and ventilated in summer and warm and dry in winter.
- Can be retro-fitted to almost any existing structure.
- Varied design options; Cantilevered, Angled, Curved, Picture framed or Open-ended.
- Designed to fit any space. Posts, beams, rafters and louvre blades can be cut to length.
- Full end-to-end service – design, manufacture and installation.
- 10 Year Warranty on materials and 5 Year warranty on electric components.
- Wind tested up to 200kph in the open position.
- Engineered to meet NZ Building Codes.
- NZ Extruded heavy gauge aluminum and marine grade stainless steel fixings.
- Easy to maintain with straight forward moving parts.
- Suitable for residential and commercial properties.
- Friendly family run business.

Our range of integrated accessories allow you to customise your outdoor area to perfection.
